*singer, guitarist, songwriter, performer*

Jason Montero has been a professional working musician for more than sixteen years. He has played in a variety of arrangements, ranging from solo acoustic to a full electric band, and at premiere venues from coast to coast. He has stunning versatility and his performance always matches the mood and spirit of each situation.

Jason has played over 3,000 shows in more than 50 cities; recorded 2 full length CDs and 2 EPs of original music; and collaborated with and appeared on the works of many other independent artists.

Jason grew up in Central New Jersey on the sounds of '70s & '80s radio. He later migrated to the Finger Lakes region of New York where he taught himself guitar. Jason then re-located to Phoenix, AZ where he gradually worked his way into the club scene and eventually began performing nationally. He then returned to the East Coast and currently calls South Florida home.
